Meet Beans

An adorable two-year-old orange and white tabby...he certainly lives up to his name with all those extra toe beans – he’s a polydactyl! We saved Beans, along with his kitten (adopted), recently off the streets in Danbury. Despite being a stray, he’s extremely friendly and anxious to find a home of his very own!

Beans is very sweet and always wants to be in your company. He is a playful boy who loves his toys, exploring, and looking out the window at the birds. Have a box or paper bag? You’ll be sure to find Beans inside! He LOVES being petted, brushed and likes being held, however, it must be on his terms. Beans is in foster with both cats and dogs and does well with them. He's a playful boy so he'd be best suited for an energetic cat that can keep up with his shenanigans. He's great with kids and will make a purrfect addition to any home!
